# Snakes and Ladders

1. Roll the dice and move the number of steps it shows.

2. There is a word in the square. Explain the word in your own words. If the group or the teacher approves your explanation, you can move one extra step. If not, stay where you are.

3. If you stop on a frog, roll the dice one more time.

4. If you stop on a ladder:

Move up the ladder if the person is climbing up.

Move down the ladder if the person is falling down.
